Year-End Crew Check-in Poll Results

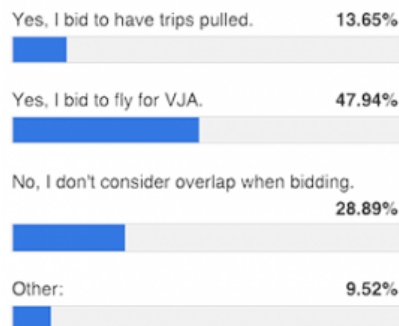

Erich Schwenk is a Chicago-based Flight Attendant. Erich serves as the Chairperson of the TWU Local 556 Survey Committee.

As we bring this whirlwind year to a close, it's time to review this year's survey, our Crew Check-in Polls. Find out your Co-workers views on a variety of topics:

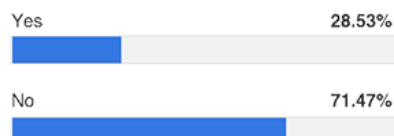

How do you prefer to receive updates about negotiations?

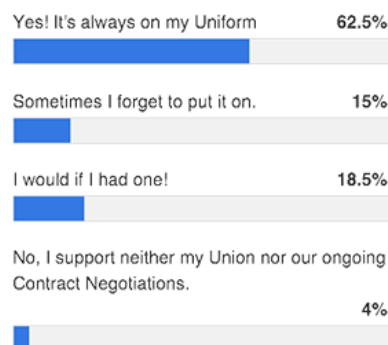

Do you bid for overlap?

According to our Contract, a Flight Attendant is entitled to a copy of her/his entire personnel file. Have you ever requested a copy of your personnel file?

Do you wear your Union Pin?

Welcome, *Erich Schwenk*
